LOUISVILLE JOURNAL HEATH OF MES. TORE .- This lady who died on the 29th ult., was, the New York Post says, one of the most prelific and popular novelists of be cay. She was widow of Charles Arthur Gore, a military man, and was sixty-one years old at the time of her death, which was not unexpected.

For more than a year past Mrs. Gore had been almost entirely blind, and a few months since an unsuccessful attempt at an operation to restore her sight was made. The result was disastrons, and Mrs. Gore's constitution never recovered om the palnful sheek. works, filling nearly two hundred volumes. It is a carrious fact that one of her best known novels, Sir John Hean Paul's ultimately turned out to e: but in the delication sho expressly referred to much of her property by the failure of her trusted

PALL R. SHIPMAN Editors. LAVER LUCAS Lo- at Editor and Rep

SATURDAY, FEB 28, 1661. We attach very little importance to an ports in the newspapers relating to Mr. Lir an adjustment, and in his opinion "each side far from saving or feeling, when, surment disunion is inevitable, and both desir unded by a thousand strong and it is to disunion in preference to a compromise, and hoped salutary influences at Washington, h hence, when one sees that he can accomplish Il find himself called on to speak to h of all the solema and awful responsibilities per sting upon him.

ing exposure of the schemes of the Southern traitors against the Union, in order to put the as to the action of the Peace Conference, the The meaning of this, if we understand it, is the Louisiana, as an independent severeign the disposition of the Northern conservatives ges comparison; a credit which could afford to co o concede all proper guarantees to the South. the free navigation of the river for If, unfortunately, the gentlemen who are now the selid rock of the elective suffrage and the republic uses. She will permit goods to be imported into New Orleans as a place of deposit, but the revenues due to the United States must be the revenues due to the United States must be unable to agree a plan of compromise, we shall doubtless in some a plan of compromise, we shall doubtless in some a plan of compromise, we shall doubtless in some a plan of compromise. npon a plan of compromise, we shall doubtless | i c or Hatch was certainly transmissing a no hope, because the Republicans have voted tained by a system of laws, whose light hand, in allacy to Sarveyor Haldeman when he wrote bred that all the proceedings of the Peace of these assured blessings we are asked to part, transportations are continued as usual, for he n-ual course has been to execute bonds to

Conference are carried on in secret seasion, and

and to take our luck in a rising desp the n-mal course has been to execute bonds to the United States, made payable here in Louisville, when the transportations were intended for this point. We regard this as the most serious complication of the Federal and State powers which has yet been presented. The ew Orleans Bulletin, with which, as an a. tucky plan for the call of a National Convention to amend the Constitution under its fifth dition, with unbiassed and dispassionale eyes, and ly, we have fought the battles of the Union and the Constitution for more than the quarter of a century, takes strong grounds against human efforts will be made to convince the ful?

What evil guides are the passions, whether they ly, we have fought the battles of the Union peacefal coercion" in the collection of the ederal revenues, and regards the proposed would be dishonorable or dangerons for them action of Congress by the adoption of legisla- to submit to a Republican administration even assuredly do they sconngo their followers with a to protect the revenue system of for the time necessary to call such a conventhe United States from the unconstitutional tion and have it perform its delegated dmics. ted to hell by the Devil, that they should yield to and unlawful obstructions and disturbances Forewarned, they will be forearmed, and we such black counsellors in this solemn bont? and unlawful obstructions and disturbances with which it is threatened, as proceeding, in the assumes, from a policy which will be "to annow and embarrans, in all possible ways, the seconding their commerce and interest." It is very manifest that the Committee of Commerce of the House of Kentucky Legislature, and that nothing. resentatives and our New Orleans contem- Kentucky Legislature, and that nothing lured into a grave consideration as to the surrenorary have argued to very different concla- will be left untried or andone to produce pres from the same promises; but it is not our cipitate action when that body re-assembles on which God has crowned our lot, the very meanest resent purpose to examine into these differces of opinion on the present occasion. The cancer of opinion of the present occasion. The attitude of Loungana throws us back some fifty-eight years to the time when the Gpanish authorities at New Orleans, having ceded the territory to France, were obstructing the commerce of the United States through the Missission acted with such devotion to the cause of our common country, should, by any cunning rippi river. On February 18, 1803, Mr. Ross, and others? Has Louisianu forgotten, when there inherited it—and surely, surely when her soil was invaded, and others? Has Louisianu forgotten, fifty-eight years to the time where the interest of the united of the her soil was invaded, and when her soil was invaded, and when her soil was invaded, and others? It is the idea of blindly rashing from noch an extensive to the charge of the control of the c of Pennsylvania, in the United States Senate, offered a series of resolutions to the effect that o the tree navigation of the R ver Museusippi,

strength, and prosperity of the United States, they should obtain complete security for the full and peaceful enjoyment of such, their life to spend the sad remnant of his days in With whom they had not even fully constitu-The resolutions of Senator Hous also authorized President Jefferson to ad arent places, as he might see fit, and o adopt all other measures for obtaining com-

rity; to call into service the militia olina, Georgia, Ohio, Ken- from the Memphis Appeal, that the Mississippi would be equivalent to an engulphment in the mckv, Tennessee, or of the Mussissippi Terri- Legislature, now in session, has levied a tax deluge of Abolitionism! This distrust of a public to the extent of fifty thousand; and to of fifty per cent. upon the present State tax, loy, in addition, at the military and naval and authorized the Governor to borrow two ned, for which five millions of dollars were one, two, and three years, out of the accruing revenues of the State,

It is a matter of history that the speech of senator Ross, upon introducing these resoluthe idea of Kentucky's being burdened with the extent of their claim, likewise, in the Con ons, and the action taken by Kentucky and taxation. Oh well, let us break up the whole stitutional controv the other States, had the effect to hasten the Union then and go into a fifty years' war with he provisions for a Territorial organization by sake. Doesn't our neighbor think that it would the act of March 26, 1-04, under the name of be a handsome pecuniary speculation?

this purchase acquired the soil of the present Great Britain is now, in view of our troubles, taking the most vigorous measures tes of Mussours, Arkansas, and Kansas, the Territory of Nebraska, &c. To realize the and making heavy expenditures to make herself independent of us in the matter of cotton. ficulties which would result from the ensent of the payment of duties at New And she is nearly certain to do it. This is one rleans on goods destrated for Kentucky, Mix of the fruits of the tree of secession. and other riparian States, let us suppose Why should they be quarrelist at

hat Virginia should make the same demand, hutting out Maryland and Pennsylvania fifty or perhaps a hundred years hence? Why roun the Chesapoake Bay and Susquehanna break up the Union because we can't settle questions that will belong to future generaort ty the breakwater at Cape Henlopen, and

levy toll on all imports destined for Pennsylvania and New Jersey through the Delaware Cotton States can ever feel for the Cotton State Bay and river; or that Mayor Wood hal car-Confederacy a tenth part of the devotion and ried on his idea of making New York a free and established his own revenue laws for enthusiasm which all true patriots have ever felt for ourglorious old Union? Certainly 1,0 t. he who e State. And yet when Senator Ros in 1803 drew a similar suppositional picture,

A New Orleans collector was robbe d of said, "none of these waters embrace the ests of so many as the Mussissippi; the debted to us seem resolved that our collector

umbers and property affected by shutting this shall not be robbed of any such amount very are much greater than the blockade of goon. What office is 6 ov. Floyd to have under rison was made at a time when the am mint the Cotton State Government? Isn't he to be

tory was valued at only two millions of doing for that Government during the last two rewarded at all for the stealing he has been ars, the revenue accruing to the treasury years? and the sale of public lands brought but half a million dollars. Every man who has bought a farm from the Federal Government in the West, expected the free and unobstructed navinest arms into hooks, but he hooked the Govinest arms into hooks, but he hooked the Govinest

gation of the Massassippi. If this is violated, ernment arms. suthout an effort to remove the obstruction, in If Dan. Sickles received back his nanghty the strong language of Senator lions, "it would wife when she was penitent, why should'nt lands, thills the friends of freedom and make the seller of an estate, suffering an eviction of she shall see the folly of having left his bed

he purchaser when he might and could prevent and board? t, would not in cons ience be entitled to rewe the purchase money." He contended too thinks that six or seven States are out of the at the invaded right was one, the security of Union. Lincoln thinks they are not. We which ought not to be precarious, that it was shall see which of the two opinions will be ver-

sable that the enjoyment of it should ified. placed beyond all doubt, and that the right suld never be secure while the mouth of the J. G. Whittier, the bitter but powerful aissippi was exclusively in the hands of the from whose caprice or enmity we had to allay the storm as you use as powerful a spell to allay the storm as you have done to raise it?
